*Getting the care you need has just become a whole lot easier.*

# LIFE at Home

Because there's no place like home.....

You now have a new partner in staying healthy and independent.

Called LIFE at Home, our medical care and personal support plan aims to keep you active, healthy, and living where you prefer – in your own home.

You may qualify for LIFE at Home if you:

- ✓ Are age 55 or older
- ✓ Have health problems that make it hard to live at home
- ✓ Live in Chester or Delaware County, PA

To learn more about LIFE at Home call:  
**1-888-843-0443** Or, visit the LIFE at Home Center  
at:  
701 Chester Pike, Sharon Hill, PA 19079

At the heart of LIFE at Home are caring staff who work with you to develop a personalized health care plan that may include the following LIFE at Home authorized services:

- Physician and nursing care
- Transportation
- Prescriptions
- Physical therapy
- Counseling
- Dental, eye and foot care
- Medical equipment and supplies
- Emergency care and hospitalization
- In-home support and care
- Personal care and homemaker/chore services
- Meals
- Adult day care and social activities
- Family support
- And much more....

Our staff is on call 24 hours a day. No matter what services you need, there are no hidden costs or extra fees, plus no paperwork! True to our name, at LIFE at Home, our goal is to keep you active, healthy, and independent in your own home.

Members must receive all health care services (except for emergency services) through LIFE at Home.

\* All services must be approved by the LIFE at Home team and agreed to by the LIFE at Home member. LIFE at Home members may be fully and personally liable for the cost of unauthorized or out of the LIFE at Home network services.

Do you want to  
remain happy  
and healthy  
in your own  
home?  
We can help!
